A MESSAGE FROM THE PRESIDENT & CHAIRMAN OF THE TNVTA

Dear members, welcome to this month's publication of the TVNTA Monthly newsletter.

Hello members the season is now here hope your cars and bikes caravans are ready for the shows.

(Bank Holiday review)

We were at Ripon on Saturday afternoon, the weather was not too bad so had a few beers went to bed then at about 6.00 woke to hear the very heavy rain that went on till dinner time then the sun came out big time. not a bad turn out of cars and people.

Don't forget Tuesday night to bring your car, bike or any thing you like lets have a good night

All the best

Ernie.

Hold Tight!

"I know it's yesterday's ticket! That's when I got on this bloody train!"

Thank you Kenny & Mave for
Starting off our project page on the website

Ford Prefect 10 HP Model E93A

The Ford Prefect 10 HP Model E93A was put into production in October 1945. It was fundamentally the same as produced in 1939/40 and differed from the Anglia chiefly in the following respects: four-door bodywork with different front and rear end. 7 ft 10in wheelbase, 12 ft 11¼ in (v. 12 ft 8¼ in) overall length. 5.00-16 tires and 63.5-mm cylinder bore, giving 1172-cc cubic capacity. Maximum power output with 6.16:1 CR. was 30 bhp

VE Day celebrating 70 years since Victory in Europe as a tribute to this time in history, these are a couple of cars that started production in 1945

Armstrong Siddeley Lancaster

Armstrong Siddeley started post-war production in November 1945 with the 16 HP Lancaster Saloon and Hurricane Drophead Coupe, supplemented by the Typhoon Two-door Saloon from August 1946. They remained in production until September 1949, when the engine was updated. 1945-49 models had a 1991-cc (65 x 100 mm) 70-bhp OHV power unit. Wheelbase was 9 ft 7 in, tire size 5.50-17. Pre-production Lancaster (pictured left) and Hurricane cars had made their debut as early as May 1945-during the same week as VE Day (Victory in Europe).

THE NORTHERN VINTAGE TRANSPORT ASSOCIATION

MAY 2015

A warm welcome once again to your monthly newsletter. We hope you are all looking forward to the coming year of shows and events.

MAY CLUB NIGHT

The date is the 19th of May.

Bring your vehicle to the club

We would like to invite you all to Bring your vehicle to the club on the above date. We will be having the usual Raffle, club members draw and of course

Jackie's pies and peas. She also bakes lovely cup cake for your enjoyment. We look forward to seeing you all there and having a chat about your exhibits and learning the fascinating history behind some of the items you own.

While you are at the club if you have any input for the Newsletter or indeed future club nights Please mention it to a committee member who will take details from you and pass them on to the right person. If you would rather write it down I will put a suggestion box out for you to pop your comment into. Please keep them clean and constructive. Thank you

Simon Robinson

It is with great regret that we report the death of Mr. Simon Robinson who died at the age of 61.

Mr Robinson has for the last 40 years been a classic car dealer. Many of you will remember him as a man with a passion for classic cars and some will no doubt have bought cars from him.

Our condolences go to his family from everyone at TNVTA

April Club Night

We had a quiz at our April club night which was well attended thanks to all who came along to support the club. The quiz its self was a real stinker which was in two parts one for the ladies and one for the men.

The ladies quiz gave clues and the answers were all containers. I.e. city in England.....The answer being Bath! We really struggled with some of the questions and a lot of cheating was seen to take place. (although I knew some of them)...Visiting other tables on the pretext of selling raffle tickets while trying to have a peep at some answers. (You know who you are).

The men's quiz was clues to solve to arrive at car makes and makers. This also brought out the competitiveness in every one.

Every one really enjoyed their selves with a lot of good natured ribbing going on.

Thank you to Sue Davies for being so kind as to set the Quiz for us it was a great one.

NEWSLETTER AND EMAIL

There seems to be some confusion about the proposed use of email as a means to deliver your newsletter. It has been suggested to send a email with your newsletter attached to it you were asked at member's night if you were happy to have this option, some of you are happy to do this. Others did not want it delivered this way however the confusion seem to be that everyone HAS to have the newsletter sent to them by email.

This is not the case.

If you still want your magazine sent through the post that is fine. We are proud of our new look. One member said they would pay for a stamp to have it sent through the post this is not necessary we are happy to still post your magazine out to you. Hope this clears this up for everyone. Any questions please get in touch.

REDMIRE MAY BANK HOLIDAY

25th Anniversary of Wensleydale Railway.

On the 23rd 24th and 25th of May Wensleydale Railway are celebrating the 25th anniversary of the railway. If you would like to take part and join us please pick up a form at the club night or get in touch with a committee member as space is limited. Thanks.

Classic car show at the N.E.C. Birmingham

13th 14th 15th of November

We have received a suggestion to organise a trip to the above event.

We wondered if there is any interest in going as an organised party hiring a coach and obtaining tickets to sell to club members. It seems a good idea. What do you think, get in touch if you would want tickets and coach travel so we can organise this for you.

Our September Sunday Show

This will be the 20th of September. It is hard to find a Sunday that will not clash with other local events. Please come and support us if you can.
