18th January AGM

15th February Renewals

We are hoping to collect your email address at Members night and can then forward you your newsletter straight to your inbox. We understand that not all will want this, and post will always be an option.

If you have any views on these matters, please come and make your feelings shown.

**Member's renewal night.
Is the 15th of February 2023.**

We hope you can come and renew your membership with us.

You will receive your renewal form in with January's newsletter for you to fill in and return to us by post, or in person at club night.

If you decide you would like your newsletter by email just fill in the box on your renewal form. If you leave it blank, we will assume you are not interested in receiving your Newsletter this way.

After some discussion it has been decided to keep your membership at last year's price of £15. We feel this is value for money with your public liability insurance included in the price.

We look forward to hearing from you whatever you decide to do.

Hello and thank you to the members that came to club night last month it was good to have talk with every one and the pie & peas went down great. Thank you to Nicky & Kev.

We have a great venue, cheap beer, good food. Use of a big field so let's try to make the most of this.

If you are not happy with what we are doing please let me know. It may be time you joined the committee and tried to help the club.

The AGM in January is the time to have your say, so please do what you can to be there.

We are sending newsletters early in the hope you get this before Christmas, what with postal strikes and extra post.

Maybe we will see you on the 21st. Last meeting of the year. Chat and a mince pie. Stay safe, and if we don't see you have a good Christmas.

Ernie.

This will be our A.G.M.

We would like a good turn out as we have some proposed changes to put before you all to vote on
We are proposing to publish the Newsletter every two months. We feel we will be able to keep you just as well informed of any up-and-coming events as we have been doing on a monthly basis. The cost of production and posting is spiralling in cost. It cost almost £1000 per year. With the cost of stamps cost over £600 per year. We feel that we can offer the same service publishing every two months. We can also save money with the Newsletter if you would be willing to have it sent by email
