**Meetings are held at Croft Working Men's Club**

**3rd Wednesday of the month at 7.30pm**

**Next meeting Next meeting Wed17th September**

Hello I hope you have had a good Summer. It really feels like a long way back now it's starting to get dark at 7 o'clock. That brings us on to the Gathering. You are welcome to camp from 12 o'clock on Friday. It is £5 per night. When you arrive come round to the rally field where you will be shown where to park. Do NOT go into the club to pay for camping, as we are having a change around this year. There will be a catering van on site from Friday. There will be bingo on Friday night. Books will go on sale at 6.30 to start playing at 7. There will then be a singer on. There will be a £2 cover charge Friday and Saturday. Kids are welcome in the concert room but must be supervised and NOT allowed to run in and out.

This is a working men's club, and we meet here every month. It is the best move the NVTA has ever made, and I won't let anyone spoil that so come along let's have a good night. If you have any problems, please come along and talk to me.

*Ernie.*

### **Newsletter Sept/ Oct 2025**

Hello everyone and welcome to your September Newsletter.

Back from Summer break and into the dark nights.!!

Hope this makes you want to get out and catch up. Busy few months ahead and we don't want you to miss out. We have already had a lot of interest shown in Christmas party with tickets booked and paid for before we even got them to the printer. These will be available from our next club night. Date is 12th Dec, and tickets are £10 each.

Before that of course is our famous or is that infamous Auction night.

## **July Meeting**

Our meeting in July seems a long way back now however I recall a good turn out with a lot of fun with our quiz. Minutes from committee meeting the month before were circulated and members informed of plans already in place for Gathering and Christmas Party.

## **September Meeting**

September always a difficult meeting to make arrangements for as can never be sure how many ready to come back after the break. We will have our usual raffle and toasties and I'm sure I can find a quiz to keep you entertained. Maybe a fun one and nothing to do with Transport.

If any of you have donations for the tombola that we have at the Gathering this meeting is ideal time to bring them.

Why not come along and get your party tickets to be sure of not missing out.

## **. Gathering**

Gathering as you know this year will be held on October 5th.

As we did last year you will be able to stay over for Friday and Saturday night at a cost of £5 per night. You can arrive after 12 on Friday 3rd, however anyone arriving very late may need to stay in the carpark overnight and wait to be parked by stewards the next morning. There will be bingo and a singer (Katie)in the club on Friday night and on Saturday night there will be NO bingo, but we have another singer "Mark Stevenson" for your entertainment.

There will be a burger van on site for the whole of the weekend.

Gathering 10 till 3 on the Sunday.

As we have always done, we try to make this event as informal as possible and don't ask you to fill in entry forms and get them to us before the event. The only thing we would ask is that if you intend to have a "stall" car boot, auto jumble or similar that you try and let us know before the weekend. This gives us some idea of space when setting up the field. These pitches are free to members and £5 to anyone else. Maybe someone you know does crafts. Feel free to let them know

about us. Will be good to have a nice variety and give visitors plenty to look at. I know it's a swear word to lots of you, but you need to think about Christmas shopping.

For further information about the Gathering ring Mavis on 01325 359114.

## **October Meeting**

October 15th will be Auction night.

By now I'm sure you all know how it goes you donate your unwanted items to be sold and raise money for the club. Money raised helps us to keep cost of Christmas party down. Our auctioneer is so good at what he does we never have anything left and you go home with lots of things you had no idea you needed. It's a win for us all. Maybe that special Christmas gift is there! It's always a very entertaining evening. If you have never been it's, one not to miss. Toasties also available

## **CHRISTMAS PARTY**

The Christmas party will be on Friday 12th December.

Artist is Deborah Taylor Smith. Some of you will remember seeing her at previous events. You can be assured of a great night. Tickets are available for September's club night. These will once again be only £10.

There will be 100 tickets available. Don't miss out. We have had quite a number reserved and paid for before they went to printers.

## **DVLA**

Some of you will have read in the headlines of the changes to registering historic vehicles. The FBHVC are updating all clubs and when I am able will print off the new policy. This appears to be good news and should make things easier.

## **And Finally**

What's the difference between a poorly dressed man on a tricycle and a well-dressed man on a bicycle?
