Meetings are held at Croft Working Men's Club

3rd Wednesday of the month at 7.30pm

Next meeting Wed 18th March

Hello and thank you to all of you that rejoined, and welcome to the new members that joined us on club night.

Let's hope the weather is good for Easter this year as a lot of you are heading up to Kirby Stephen.

I hope you will come and join us at Croft for the weekend of 17th and 18th of April with Gathering on 19th. You can camp for £5 per night from Friday at 12 o'clock. There will be a singer on Friday and Saturday night in the club with a £2 cover charge. Come along and let's have a good weekend. This is the first time we have done a start of the season rally so let's see how it goes.

To all the new members if you want to buy or sell anything contact Mavis and she will put it on our website, Facebook and in next Newsletter.

Ernie.

Don't forget we also have a website where you will find pictures of events we have been to and events we have held at the club nights. www.tnvta.co.uk

Newsletter March/April 2026

Hello everyone and welcome to your March Newsletter.

January's Meeting

January's meeting was our AGM and whilst it wasn't very well attended it was a good meeting in terms of everyone having some input into events going forward. It was decided to no longer have "bring your vehicle night" in May. Some suggestions were made re speakers for club night, and these will be followed up on. The big decision that was made was to hold an early season Gathering. Hope most of you have heard about this by now, it will come round quickly. Full minutes from meeting are available should anyone wish to see them.

February Meeting

This was membership renewal night and was very well attended. 15 renewals had been made before the night. We were able to welcome 8 new members on the night. We do hope you all make them feel welcome should they choose to attend our monthly meetings. Here's hoping they do come along and maybe even bring some suggestions with them as too what they would like us to do. If you are not into attending meetings then please come and say hello when you see us out and about at the upcoming rallies.

If you are reading this then you have obviously renewed. Thank you.

At the time of going to print there are only a couple missing from last year however we have had 11 new members join us. We must be doing something right.

March Meeting

This meeting will be Wed 18th and will be Easter themed. Come along with your decorated egg, tree, miniature garden, cake or whatever you fancy. Why not make it fancy dress. Some nice entries last year so let's make it even better. You will of course all have the chance to win some chocolate. What more incentive do you need!!

We will have a quiz which will be Easter themed and I'm sure the raffle will have lots of Easter eggs. Don't go buying yours yet, come along and try your luck.

Sammie will also be on hand to do your toasties. I can assure you these will have nothing to do with Easter.

Gathering Sunday 19th April

As we did last year in September you will be able to attend this gathering from lunchtime on Friday 17th. Once again camping will be £5 per night (come straight to the field do NOT go in the club).

This event is open to non-members and to those not exhibiting.

There is no need to book spaces but please be respectful of stewards and club staff. We would prefer NOT to have to turn you away.

There will be entertainment in club on Friday and Sat evening with a £2 cover charge which is to pay for the artist. Children will be allowed in the concert room but must be supervised. Let's all have a good weekend.

We hope you all come along and support this event as it is yourselves that have prompted us to arrange it. There has been a reduction in the number of local events particularly early in the year so let's see how this goes.

If any of you wish to do a car boot, auto jumble or craft stall could you please let us know beforehand as this helps when planning layout of the field. (Ring Mavis on 01325 359114) There is no charge for this for club members and a £5 charge for anyone else. Pass the word around and let's hope everywhere starts to dry up soon.

FOR SALE

1920's Smiths 72-hour car clock in good working order £40

6 Volt SU Petrol Pump working £30

Workzone Arc Welder still in box £30
